Scared Scriptless: Super Scene

Featuring The Court Jesters

19 May 2018

Tonkin & Taylor mainstage at The Court Theatre

Short Show Description:

Scared Scriptless has been running strong for 28 years. It's a late night improvised show where the wit of stand up, the exhilaration of theatre and the danger of not knowing what's happening all collide in a glorious, theatrical mess. It's one part cheeky, one part dangerous and all parts hilarious.

SCARED SCRIPTLESS SWITCHES IT UP IN SUPER SCENE

This May The Court Jesters will be putting on a special edition of the classic Christchurch comedy show *Scared Scriptless* with *Scared Scriptless: Super Scene*

Following April's special edition of *Scared Scriptless: Survivor* where The Court Jesters were pitted against each other in a comedy cage match, the theme of elimination continues on May 19th in *Scared Scriptless: Super Scene*.

The show, starting at 10:15pm, will feature four players each charged with directing their fellow competitors in a scene of their choosing, whether it be an old-style Western - or Bogans in West Auckland.

Once all four scenes have been presented, it'll be up to the audience to rank the stories, with one scene destined for elimination each round. After four rounds of fun and games, the surviving scene will be crowned the *Super Scene*.

Similar to *Scared Scriptless: Survivor*, *Super Scene* will create a night of cliff-hangers as the competing Jesters each try to make their scene the one audiences can't get enough of.

Artistic Director of The Court Jesters and regular *Scared Scriptless* player Dan Bain hasn't made up many rules, leaving the format of the show up to the imaginations of the players themselves.

Speaking about the show Bain said, "Performers can play in their scene, narrate it, direct it, be inside it – whatever they want. All they need to do is make sure, at the end of it, the audience is going to want to see more of it."

Scared Scriptless runs every Friday and Saturday night at The Court Theatre at 10:15pm. *Scared Scriptless: Super Scene* will run for one night only on May 19th.
