Jo and Tom Macbeth are professional actors who have a reputation as Shakespearean specialists. It is the opening night of a production of *Macbeth*, 30 minutes before curtain up. In the dressing room, something major has happened. Not great timing.

Enjoy a rollercoaster ride of comedy, drama, poignancy, and explosive conflict, as these two stage dynamos reveal the highs and lows of partnerships, on and off the stage. *Mr & Mrs Macbeth of Heathcote Valley Road* will appeal to all, including those who hated Shakespeare at school.

"a sublime masterclass in farce, physical comedy, gnawing vulnerability and on-point poignancy...a must-see treat." - Theatreview
