*Ryan's gym. Peter enters.*

RYAN

We're closing down for the weekend, sorry man. Oh.

PETER

Hi.

RYAN

Okay.

PETER

Nice space. It's very, spacious.

RYAN

You're the guy.

PETER

The guy. Who sold his kid on the internet. Yes. I am him.

RYAN

What do you want?

PETER

I just thought, you gave me your card. I left, um, on your machine. You weren't responding to my messages.

RYAN

No coz you're the guy who sold his kid on the internet.

PETER

Right.

RYAN

So what the fuck do you want?

PETER

I wanted, well, to get more diapers. Because we were running out and Katie's not very future oriented at the moment. And then I missed my exit thinking about how Katie is not very future oriented or hasn't been ever really and I just kept driving, thinking about things like that. And got here. So I thought I would come by. To see if you had gotten my messages. Which you have. And so. Now. I'll, leave. Sorry.

*Peter turns to leave.*

RYAN

Hey. What are you doing, man.

PETER

I don't know.

RYAN

You gotta stop. Can't leave me messages, can't come around like this, it's not right.

PETER

I miss him. I miss him a lot.

RYAN

So then why did you do it?

PETER

I don't know. I was underslept, and Katie was crying all day, the baby was crying all day, I kept thinking something had to give something had to change, and we changed the wrong thing. I think we changed the wrong thing. But if he's doing good. I have no right to miss him. I've had my chance I've had my run and I fucked it up I get that. But I just wanted to make sure that he is okay. Then I can move on, you know? I can just focus on my life and my family. Is he? Okay?

RYAN

Yeah. Sure. I mean, there are some issues, at school and stuff, like with windows, and goldfish bowls, he's apparently super smart, they're taking him to a shrink and yoga

PETER

Yoga? He likes Yoga?

RYAN

You know what, I don't know. If you wanna check up on the kid, I'm not that guy. He's not here.

PETER

I thought of going to the house but

RYAN

Why didn't you?

PETER

I just need to know he's okay.

RYAN

Kid's got issues, it's gonna be bumpy but he's not your problem anymore.
