

[Meet the Parents]

A house, filled with blue balloons

ROBIN

We should've gotten yellow.

RYAN

Naw, yellow balloons look like boobs.

ROBIN

Boobs?

RYAN

You want the boy to feel like it's okay to be a boy.

ROBIN

-

RYAN

What? I'd know better than you, don't you think? How a boy feels like it's okay to be a boy?

ROBIN

Ryan, I love you, I thank you for being here with all the love and support and information on how boys feel like they are boys but I really really need you to turn the dick off for today, okay?

RYAN

Can't. Not how dicks work.

Ryan does a joyous penis dance.

RYAN (cont)

I man! I bring food for fire! I flaunt my big dick that hath no off-switch and put it in everything to make many more boy babies! Oomf oomf, uh oomf oo- (*off Robin's look*) And we are turning it off. Where's Ash?

ROBIN

No idea.

RYAN

Woh.

ROBIN

Yep.

RYAN

-
I mean,

ROBIN

What.

RYAN

Can't blame them?

Can't blame them?

RYAN

We're about to go pro, they've got a lot on their plate. You're dumping a kid on a person who's got no time / to sit around picking out balloon colors,

ROBIN

I am not dumping a kid on- You know what. I don't need you I don't need Ash I don't need any of you idiots, I am a goddamn adult I can goddamn get a child if I want.

RYAN

Okay.

They blow balloons.

RYAN (cont)

But if you really want my opinion on / this whole thing,

ROBIN

Oh my God.

RYAN

it's a little shady.

ROBIN

It's very legal.

RYAN

Oh come on, Robs, I can barely trust the internet to get a pair of jeans that fit, you just got yourself a kid, it's a little shady.

ROBIN

Jeans and children are very different things -
